
RFP ADDENDUM #8

Date of Addendum: 4/20/2018

NOTICE TO ALL POTENTIAL RESPONDENTS

The Request For Proposals (RFP) is modified as set forth in this Addendum. The original RFP Documents, and any previously issued addenda, remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondent shall take this Addendum into consideration when preparing and submitting its Proposal.

PROPOSAL SUBMITTAL DEADLINE

The Proposal submittal deadline of 2:00 pm on May 4, 2018 remains the same and is not altered by this Addendum.

QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the RFP.

-
1. Please also note that the information provided for the JCPL pursuant to Question #5 (C) in Addendum #1 and Question #72 in Addendum #2 appears to only reflect the JCPL portion for electric consumption and excludes the electric charges from Constellation NewEnergy, the electric generation supplier. Can you confirm that the City will be providing this additional information in a subsequent addendum to complete the aforementioned requests?

The Systems are currently operated by Utility Service Affiliates - Perth Amboy (USAPA) pursuant to a long term operating agreement for a fixed annual fee that was the result of a response to an RFP in 1998. USAPA has advised the City that, as part of providing the services, it has negotiated and entered into supply contracts and other related agreements with outside suppliers to more efficiently provide such services to the City. The details of such contracts and agreements have not been provided to the City as those costs do not impact the annual amount the City is obligated to pay under the long term operating agreement. Therefore, the City does not have this information nor is it contractually entitled to it. As such, potential respondents should determine the appropriate level of such costs from their own experience and extrapolate it for themselves from the audit and operating data provided in the RFP.
