Purpose of Request

The Perth Amboy Redevelopment Agency is abandoning its RFP for Professional Redevelopment Planning Services as it did not render qualified responses. Instead PARA is requesting qualifications from individuals and firms (“contractor(s)” or “proposer(s)”) to provide Professional Redevelopment Planning Services. Qualifications will be evaluated in accordance with the criteria set forth in this Request. PARA may select one or more proposer to perform some or all the services described in this request for qualifications.

Period of Contract

March 6, 2018 through February 28, 2019.

Contract Form

The successful proposer(s) shall be required to execute PARA’s form contract, which includes the indemnification, insurance, termination and licensing provisions. A complete copy of a draft form contract is available upon request.

It is also agreed and understood that the acceptance of the final payment by contractor shall be considered a release in full of all claims against the PARA arising out of, or by reason of, the work done and materials furnished under this contract.

Proposal Submission

One (1) unbound original, five (5) bound copies and an electronic version (pdf) of the proposal, complete with all required information, shall be submitted and received by hand delivery, certified mail/return receipt requested or overnight courier on or prior to the **Thursday, February 15, 2018 4:00 pm** deadline.

Questions should be submitted via email to wdiaz@perthamboynj.org. Questions will be received until **January 31st 2018**.

Respondents must prepare their response using a complete cost proposal, including any addenda issued by PARA prior to the date established for submission of the cost proposal. Neither PARA, its agents, nor employees shall be responsible for any errors, omissions, incomplete submissions or misinterpretations resulting from the respondent's use of an incomplete proposal in preparing or submitting its response.

Each response and all required information pursuant to the Request for Qualifications shall be prepared at the sole cost and expense of the respondent. There shall be no claims whatsoever against PARA, its staff, or its consultants for reimbursement for the payment of costs or expenses incurred in the preparation of the response or other information related in any way to the proposal.

ARTICLE I Contributions by Public Contractors

[Amended 9-23-2009 by Ord. No. 1479-2009]

§ 98-1. Prohibition on awarding public contracts to certain contributors.

A. To the extent that it is not inconsistent with state or federal law, the City of Perth Amboy and any of its purchasing agents or departments or instrumentalities of the municipality thereof, as the case may be, shall not enter into any agreement or otherwise contract to procure services from any professional business entity, including those awarded pursuant to any process including a fair and open process, if such professional business entity has solicited or made any contribution of money, or pledge of a contribution, including in-kind contributions, to (i) a campaign committee of any Perth Amboy municipal candidate or holder of public office having ultimate responsibility for the award of a contract, or (ii) to any City of Perth Amboy or Middlesex County party committee, or (iii) to any political action committee (PAC) that regularly engages in the support of Perth Amboy or Middlesex County elections and/or municipal or county parties, in excess of the thresholds specified in subsection (d) within one (1) calendar year immediately preceding the date of the contract or agreement. A business entity that is awarded a contract by the city may not make any such contribution during the term of the contract and for twelve calendar months thereafter.

B. No professional business entity or vendor who submits a proposal for, enters into negotiations for, or agrees to any contract or agreement (including non-emergency contracts awarded by N.J.S.A. 40A:11 et seq. or the "Fair and Open" Process pursuant to N.J.S.A. 19:44A-20 et seq.) with the municipality or any departments thereof, for the rendition of professional services, or goods and services, as the case may be, shall knowingly solicit or make any contribution of money, pledge of contribution, including in-kind contributions, to: (i) any Perth Amboy candidate or holder of public office having ultimate responsibility for the award of a contract, or (ii) to any City of Perth Amboy or Middlesex County party committee, or (iii) to any PAC that regularly engages in the support of Perth Amboy or Middlesex County elections and/or municipal or County parties, between the time of first communication between that professional business entity or vendor and the municipality regarding a specific professional services agreement or goods and services agreement, as the case may be, and the later of the termination of negotiations or rejection of any proposal, or the completion of the contract or agreement.

C. For purposes of this Article, a "professional business entity" and a "vendor" seeking a public contract means an individual including the individual's spouse, if any, and any child living at home; person; firm; corporation; professional corporation; partnership; organization; or association. The definition of a business entity and vendor includes all principals who own ten percent (10%) or more of the equity in the corporation or business trust, partners, and officers (in the aggregate) employed by the entity or vendor, as well as any subsidiaries directly controlled by the business entity or vendor.

D. Any individual meeting the definition of "professional business entity" or "vendor" under this section may annually contribute a maximum of three hundred dollars (\$300.) each for any purpose to any candidate for mayor or governing body, or three hundred dollars (\$300.) to the City of Perth Amboy party or five hundred dollars (\$500.) to the Middlesex County party committee or to a PAC referenced in this ordinance, without violating subsection (a) of this section. However, any group of individuals meeting the

definition of "professional business entity" or "vendor" under this section, including such principals, partners, and officers of the entity or vendor in the aggregate, may not annually contribute for any purpose in excess of two thousand five hundred dollars (\$2,500.) to all City of Perth Amboy candidates and officeholders with ultimate responsibility for the award of the contract, and all City of Perth Amboy or Middlesex County political parties and PACs referenced in this ordinance combined, without violating Subsection A. of this section.

E. For purposes of this section, the office that is considered to have ultimate responsibility for the award of the contract shall be:

- (1) The Mayor or Governing Body of Perth Amboy, if the contract requires approval or appropriation from the Mayor or Governing Body.
- (2) The Mayor of the City of Perth Amboy, if the contract requires approval of the Mayor, or if a public officer who is responsible for the award of a contract is appointed by the Mayor.

§ 98-2. Contributions made prior to the effective date of this Article.

No contribution of money or any other thing of value, including in-kind contributions, made by a professional business entity or vendor to any City of Perth Amboy candidate for Mayor or Governing Body, or City of Perth Amboy or Middlesex County party committee or PAC referenced in this Article shall be deemed a violation of this Article, nor shall an agreement for property, goods, or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the professional business entity or vendor prior to the effective date of this Article.¹

¹Editor's Note: This Article was originally adopted June 25, 2008 as Ordinance No. 1479-2009 and was amended in its entirety September 23, 2009 by Ord. No. 1479-2009.

§ 98-3. Contribution statement by professional business entity and vendor.

A. Prior to awarding any contract or agreement to procure services with any professional business entity and any contract or agreement to procure goods and services from a vendor with a value of seventeen thousand five hundred dollars (\$17,500.) or more, the City of Perth Amboy or its purchasing agents and departments, as the case may be, shall receive a sworn statement from the professional business entity or vendor, made under penalty of perjury, that the bidder or offer or has not made a contribution in violation of Section 98-1 of this Article.

B. The professional business entity and vendor shall have a continuing duty to report any violations of this Article that may occur during the negotiation, proposal process or duration of a contract. The certification required under this subsection shall be made prior to entry into the contract or agreement with the City of Perth Amboy, or prior to the provision of services or goods, as the case may be, and shall be in addition to any other certifications that may be required by any other provision of law.

§ 98-4. Return of excess contributions.

A professional business entity, vendor, or municipal candidate or officeholder, or City of Perth Amboy or Middlesex County party committee or PAC referenced in this Article, may cure a violation of Section 98-1 of this Article, if, within 30 days after the date on which the applicable ELEC Report is published, the professional business entity or vendor notifies the municipality in writing and seeks and receives reimbursement of the contribution from the relevant municipal candidate or officeholder, City of Perth Amboy or Middlesex County political party or PAC referenced in this Article.

§ 98-5. Exemptions.

The contribution limitations prior to entering into a contract in Section 98-1A do not apply to contracts which are required by law to be awarded to the lowest bidder.

§ 98-6. Breach and penalty.

A. It shall be a breach of the terms of the City of Perth Amboy professional service agreement or agreement for goods or services for a business entity to: (i) make or solicit a contribution in violation of this Article; (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee of any candidate or holder of the public office of City of Perth Amboy; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of this ordinance; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of this Article; or (viii) directly or indirectly, through or by any other person or means, do any act which would subject that entity to the restrictions of this ordinance. The city may exercise any and all rights and remedies available to it under the agreement and at law in the event of breach.

B. Furthermore, any professional business entity who violates Section 98-6A (ii–vii) shall be disqualified from eligibility for future City of Perth Amboy contracts for a period of four (4) calendar years from the date of the violation.

§§ 98-7—98-10. Reserved.

ARTICLE II Redeveloper Contributions

[Amended 9-23-2009 by Ord. No. 1480-2009; amended in entirety 8-10-2016 by Ord. No. 1819-2016]

§ 98-11. Findings.

[Amended 8-10-2016 by Ord. No. 1819-2016]

Developers, sometimes at the request of candidates for local elected office or political party officials, make substantial political contributions to the election campaigns of local candidates, and to the political parties that support them.

The local government officials are, once elected or appointed, responsible for deciding the terms of a redevelopment agreement.

Political contributions from developers entering into agreements for redevelopment projects approved by the elected officials who receive such contributions raise reasonable concerns on the part of taxpayers and residents as to their trust in the process of local redevelopment, including but not limited to redevelopment decisions on tax abatements, zoning densities, publicly funded infrastructure improvements, and acquisition of property rights pursuant to eminent domain.

The Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. provides a mechanism to empower and assist local governments in efforts to promote programs for redevelopment.

N.J.S.A. 40A:12A-8 allows municipalities or a designated redevelopment entity to enter into agreements with redevelopers for planning, replanning, construction or undertaking of any project or redevelopment work without public bidding and at such prices and upon such terms as it deems reasonable within areas designated for redevelopment.

N.J.S.A. 40A:12A-11 provides that redevelopment entities are instrumentalities of the City of Perth Amboy.

Both the exceptions to the Open Public Meetings Act, more specifically N.J.S.A. 10:4-12(b), and N.J.S.A. 40A:12A-8 provide that discussions about the negotiations for such agreements can be conducted in executive session, provided the full terms of any such agreements are discussed and approved in open session.

The City of Perth Amboy has previously or may in the future declare certain areas of the City of Perth Amboy to be Areas in Need of Redevelopment under the Local Redevelopment and Housing Law, and has or may adopt an amended Redevelopment Plan.

Given the potential of negotiating with private parties or redevelopers and the entering into agreements with such redevelopers without a formal public bidding process, as permitted by the Local Redevelopment and Housing Law, it is necessary to establish certain limitations on political contributions which may undermine public confidence in any redevelopment effort.

The restriction against local political contributions contained herein does not impair in any way the remaining opportunities for such redevelopers to speak, write and publish their sentiments about local elections and candidates or to volunteer or associate with campaigns of their own choosing.

§ 98-12. Policy.

[Amended 8-10-2016 by Ord. No. 1819-2016]

The policy of the City of Perth Amboy is that any entity or individual seeking to enter into a redevelopment agreement or amendment thereto or is otherwise seeking to obtain rights to develop pursuant to a redevelopment agreement, who makes substantial political contributions to City of Perth Amboy elected officials, candidates for such positions and local and county political committees, will be ineligible to receive such agreements, or rights from the City of Perth Amboy.

§ 98-13. Redevelopment agreements under the Local Redevelopment and Housing Law.

[Amended 8-10-2016 by Ord. No. 1819-2016]

Prohibition of entering into or amending redevelopment agreements with contributors:

A. [Amended 8-10-2016 by Ord. No. 1819-2016]

The certification required under this subsection shall be made prior to entry into the agreement with the City of Perth Amboy and shall be in addition to any other certifications that may be required by any other provision of law.

§ 98-16. Contribution restrictions and disclosure requirement applicability to consultants.

[Amended 8-10-2016 by Ord. No. 1819-2016]
